

CCS Final Project-User Stories

As a user, I want to be able to _____, so I can _____.

1. As a record collector, I want to be able to add records to my collection so I can view what I have.
2. As a record collector, I want to be able to delete records from my collection if I no longer own the album.
3. As a record collector, I want to be able to view the details of an individual album I own so I can see the track list and any other details I may want to view.
4. As a music enthusiast, I want to be able to add friends so we can connect through music.
5. As a music enthusiast, I want to be able to view my friend's collection so I can see what they have.
6. As a music enthusiast, I want to be able to comment to my friends about their collection so I can share recommendations or tell each other what we are currently listening to.
7. As a user, I want to be able to input where I purchased the record so I can have a personal memory to associate with the album.
8. As a user, I want to be able to input if the record was gifted to me and who it was gifted by, so I can have a personal memory to associate with the album.
